Instructions

- Following Playwright test failed.
- Explain why, be concise, respect Playwright best practices.
- Provide a snippet of code with the fix, if possible.

Test info

- Name: milosvasic-ru-a11y.spec.js >> milosvasic.ru — accessibility >> axe-core accessibility scan — homepage (no critical/serious violations)
- Location: tests/milosvasic-ru-a11y.spec.js:20:5

Error details

Error: homepage must have no critical/serious ally violations

`expect(received).toEqual(expected) // deep equality`
