

Release Readiness Report

Platform Team

2026-08-05

Overview

This report summarises the readiness of the platform for the upcoming release. All planned workstreams have completed and quality checks passed. The throughput figure below is rendered as an embedded raster image.

Milestone status

The table below is complete and lists every milestone with its final state.

Milestone	Owner	Units	Status
Foundation	Ana	42	Done
Integration	Bora	88	Done
Hardening	Chen	121	Done
Release Q4	Dilan	128	Shipped

Conclusion

Every milestone reached its final state and the release is approved. The last milestone, Release Q4, is marked Shipped, confirming the table was exported in full without truncation.
